

# MMX-DUK-8919

## Mobile Multimedia Solution

The Mobile Multimedia Solution consists of the Dukane 8919H, a DVD/VCR player, an AN-130 speaker, and a cart.

This equipment makes up a complete presentation package for the classroom or conference room. The items are installed and locked on the cart for security (as shown in the pictures), with brackets included for speaker, DVD/VCR and projector.

Dukane's 2600 lumens 8919H is a versatile and portable multimedia projector. The 8919H is perfect for a wide range of environments from boardrooms to classrooms. Designed with today's big screen multimedia demanding needs in mind, this robust and compact LCD multimedia projector will shine brightly when it comes to high quality presentations. Lamp and filter access points are conveniently located and new security options make this projector a wise multimedia investment. Included in this package is a host of cables allowing you flexibility in your classroom or boardroom.
