**SMART Board™
interactive
whiteboard
being used in
Training**

Come join us for a full day of Professional Development

Training will encompass SMART Board™ interactive whiteboard fundamentals and creation of curriculum activities for the subjects you teach.

Seminar dates will be as follows:
10/29/09, 11/18/09, 12/16/09,
1/27/10, 3/24/10, 4/29/10, and
5/19/10.

Private sessions available (minimum
6 people), call to schedule date.

What to expect:

- By the end of the session, you'll be comfortable with the SMART Board™ interactive whiteboard and Notebook™ software, and know how to use them in your classroom. You will have the tools to become a SMART Board™ specialist in your school or district, and be able to share that knowledge with your colleagues.
- You will receive a SMART Board™ interactive whiteboard Learner Workbook. This workbook will be used during the session and is ideal for future reference.
- You will cover the following: SMART Board™ interactive whiteboard and its components, Ink Aware, and in-depth look at Notebook™ software.
- You will also create dynamic interactive lesson activities.
- Continental breakfast and lunch will be provided.
- Introduction to SMART Response™ interactive response system, with hands-on experience.

Unless otherwise indicated, sessions are delivered using SMART Board™ interactive whiteboard software with the Microsoft Windows® Operating System.

What to bring:

- Textbooks, curriculum materials, lesson plans
- Topics you want to focus on when creating lesson activities
- Laptop with SMART Board™ interactive whiteboard software (optional)

Class begins at 9:00 am and ends at 4:00 pm.
